

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1519 - SB 1680

March 18, 2011

SUMMARY OF BILL: Requires psychomotor skills associated with performing cardiopulmonary resuscitation (CPR) to include the use of hands-on practice and skill tests to support cognitive learning and shall not include cognitive-only training.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the Department of Education, current wellness curriculum includes CPR training. Students in level two and three receive hands-on training.
- Local education agencies will not be required to purchase new CPR training materials such as CPR dummies. Any increase in local expenditures will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink, reading "James W. White".
